

DISTRICT 9700 2016 ROTARY YOUTH LEADERSHIP AWARDS (RYLA)

CLAIMING THE DATE AND IMPORTANT INFORMATION

Dear President, Secretary and Youth Director

I am writing to you in my role as District RYLA Chairman to ask that you bring the following information regarding RYLA to the attention of your members:

- Date – Saturday, 8 to Thursday, 11 April 2017
- Location – Charles Sturt University (Orange Campus)
- Now a five-day Leadership Conference based on an Australian Leadership Capability Framework
- Top class speakers and presenters have been secured
- Costs have been kept to a minimum - \$650 for individual rooms and full catering
- A RYLA Package for Clubs will be issued in the near future. The package will make it easier for your Club to promote RYLA, generate interest, select and recruit candidates.

On behalf of District 9700, I would encourage your members to give local youth leaders the opportunity to attend the RYLA 2017 event and to start thinking about suitable candidates.

The District Committee is very excited about RYLA 2017 following on from the success of RYLA 2016 held in Orange. Should you or any of your members require further information, please don't hesitate to contact Graeme Fleming on 0427 291 664 or myself on 0418 223 007

Yours in Rotary

John Willing PSM
